Constitutional Catarrh.

No single disease has entailed more suffering or hastened the breaking up of the constitution than Catarrh. The sense of amell, of taste, of sight, of hearing, the human voice, the mind,—one or more, and some-disease all, yield to its destructive influence. The poson it distributes throughout the system attacks every vital force, and breaks up the most robust of constitutions. Ignored, because but little understood, by most physicians, importantly availed by quacks and charlatans. those suffering from it have little hops to be relieved of it his side of the grave. It is time, then, that the popular treatment of this terrible disease by remedies within the reach of all passed into hands at ouns competent and transworthy. THOUGHTFUL SANTA CLAUS.

"I've traveled through the sleet and snow, Across the country high and low,
To fill the stockings small and great
That here in line my coming wait,
In creeping baby's tiny hose
The india rubber rattle goes;
A handsome doll, with staring eyes,
Will much the little miss survive. A handsome doil, with staring eyes, Will much the little miss surprise; And what will more delight the boys Than musket, drum or bugle toys? And now, before I climb the flue, I'll bear in mind the mother true, Who works so hard by day and night To keep the clothing clean and white, And in her stocking, long and wide, Some cakes of IVORY SOAP I'll hide."

A WORD OF WARNING.

There are many white soaps, each represented to be "just as good as the 'lvory':" they ARE NOT, but like all counterfeits, lack the peculiar and remarkable qualities of the genuine. Ask for "Ivory" Soap and Insist upon getting it.
